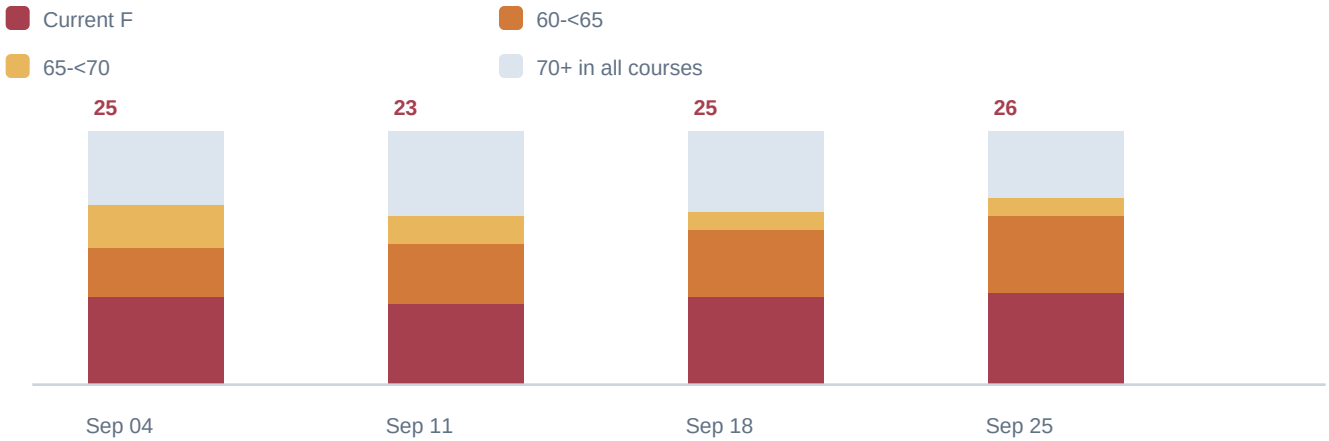
WEEKLY STUDENT SUPPORT REVIEW

Week ending September 25, 2026 | 72 students reviewed

CURRENT F	CLOSE 60-<65	WATCH 65-<70	NEW F	POSTING REVIEW
26	22	5	17	3

Students by highest course concern

Each student appears once per week; bands reflect current averages.



Stacked bars show students; red numbers show current-F students.

Student follow-up

17 newly observed with an F

9 still have an F

16 no longer have a current F

22 current-F students: no entry this week

Course and posting context

26 F grades / 360 course enrollments

3 of 10 sections: review update date

Check course context before choosing support.

A missing journal entry is a record check.

Team decision record

Review priority / action	Owner	Next check

Sources: weekly grade, section update, and journal-count snapshots.

Operational support review; not the official CPS ninth-grade On-Track measure.

No student names, journal narratives, or teacher ranking in this report.
